

SRLS Online - Participant

Once the user is logged into SRLS, the user will be signed in as a **Participant**.

In order to become a Coordinator, the user must purchase a voucher.

The screenshot shows the SRLS Online interface. At the top right, it displays the user's name 'Jane Doe', a 'SignOut' link, and the text 'SRLSonline'. Below this, it says 'You are logged in as: Participant'. In the center, there is a red button labeled 'SRLSonline'. Below the button, there is a paragraph of text describing the survey: 'SRLS online is a simple Web-based survey that takes only about 15 minutes to complete. Students are instantly scored on the eight core values of the social change model SCM. Results can be reported within hours or days, depending on which license is purchased. This provides your students with important personal insights, while helping you, the leadership educator, evaluate and improve your instructional program.' Below this text, there is a link 'To get started with SRLS, click here'. At the bottom, there are two columns of content. The left column is titled 'Participant' and contains the text: 'Participant can take SRLS Survey using the voucher numbers assigned to them and can also view the survey reports generated for performance evaluation! Learn more.' Below this text are two red buttons: 'Take SRLS!' and 'Survey Results'. The right column is titled 'Buy Vouchers' and contains the text: 'Buy Vouchers for the students to take the survey using them Learn more.' Below this text is a red button labeled 'Buy Vouchers!'.

There are four types of users in SRLSonline – **Participant, Coordinator, Instructor, Coordinator/Instructor**.

Functionality common to all users are **Take SRLS!, Survey Results** and **Buy Vouchers**.

Any registered user who buys a single voucher, then uses the voucher number to complete a SRLS survey and receive survey scores will then automatically be considered a Coordinator.

Take SRLS!: Allows the user with a valid voucher number to take the SRLS survey

Survey Results: Allows the user to get their survey results using their voucher number

Buy Voucher: Allows the user to buy vouchers for the SRLS survey. Once user purchases vouchers successfully, their status is updated from *Participant* to *Coordinator*.
